NOTICE FOR RESIDENTS OF UTAH

Notice of Protection Provided by Utah Life and Health Insurance Guaranty Association

This notice provides a brief summary of the Utah Life and Health Insurance Guaranty Association ("the Association") and the protection it provides for policyholders. This safety net was created under Utah law, which determines who and what is covered and the amounts of coverage.

The Association was established to provide protection in the unlikely event that your life, health, or annuity insurance company becomes financially unable to meet its obligations and is taken over by its insurance regulatory agency. If this should happen, the Association will typically arrange to continue coverage and pay claims, in accordance with Utah law, with funding from assessments paid by other insurance companies.

The basic protections provided by the Association are:

- Life Insurance
 - \$500,000 in death benefits
 - \$200,000 in cash surrender or withdrawal values
- Health Insurance
 - \$500,000 in hospital, medical and surgical insurance benefits
 - \$500,000 in long-term care insurance benefits
 - \$500,000 in disability income insurance benefits
 - \$500,000 in other types of health insurance benefits
- Annuities
 - \$250,000 in withdrawal and cash values

The maximum amount of protection for each individual, regardless of the number of policies or contracts, is \$500,000. Special rules may apply with regard to hospital, medical and surgical insurance benefits.

Note: Certain policies and contracts may not be covered or fully covered. For example, coverage does not extend to any portion of a policy or contract that the insurer does not guarantee, such as certain investment additions to the account value of a variable life insurance policy or a variable annuity contract. Coverage is conditioned on residency in this state and there are substantial limitations and exclusions. For a complete description of coverage, consult Utah Code, Title 31A, Chapter 28.

Insurance companies and agents are prohibited by Utah law to use the existence of the Association or its coverage to encourage you to purchase insurance. When selecting an insurance company, you should not rely on Association coverage. If there is any inconsistency between Utah law and this notice, Utah law will control.

To learn more about the above protections, as well as protections relating to group contracts or retirement plans, please visit the Association's website at www.utlifega.org or contact:

Application Period

If You opt to convert Your Life Insurance for any of the reasons stated above, We must receive a completed conversion application form from You within the Application Period described below.

If You are given Written notice of the option to convert within 15 days before or after the date Your Life Insurance ends, the Application Period begins on the date that such Life Insurance ends and expires 31 days after such date.
